Explaining the value and importance of “Plug the Tub”-

If your student is unplugged they will not speak up to you. What can we do?

- Communication. Don't tell me... show me.
- Recognition.
- Get to know your students. Don't throw away valuable information.
- Why are you here?
- Aggressive. When it's best for you.
- Assertive. When it's best for the student.
- Respect and Dignity at all times.
